Enhancing Productivity.
Enabling Success.

Customers are the lifeblood of any business. Without them there would be no revenue stream. We know that while you may appreciate the value of your customers, you may not understand how to connect with them. We can help you effectively manage, retain and grow your customer base. Our CRM module enables improved business processes, closer management of new and existing customer relationships, increased revenue and decreased inefficiencies. It's easy to use and quick to deploy via the web or on-premise.

Empower your sales teams.

Our software directs your sales efforts towards the most profitable, most winnable deals and helps you make the most of cross-selling and up-selling opportunities.

Customisable workflows, mailshots and e-marketing.

An invaluable tool for marketers, Sage CRM helps you to plan, execute, and measure the success of every marketing campaign.

Ensure customer satisfaction and loyalty.

Keeping customers loyal and providing them with a satisfying and consistent customer experience can be hard to perfect. Sage CRM enables your company to roll out web-based customer self-service quickly and cost-effectively. From here, users can service their own information needs, track data and update the system without the need for customer assistance - at the time and place of their choice.

Manage all activities from one place with our interactive dashboard.

This includes their calendar, tasks, lists, web and RSS feeds. Driving productivity throughout your organisation and enabling your staff to accomplish more from a tailored workspace that combines the information they use every day. Now integrates with Microsoft Outlook, Microsoft Exchange and most tablet devices.

Access customer information on-the-go with Sage CRM Mobile Solution.

Mobile CRM is rapidly becoming a must-have for field sales and customer service teams, enabling them to access critical customer information in real-time, on the latest smartphones and tablet devices. Increase sales and service effectiveness at every stage of the customer relationship cycle.

Social CRM Solutions.

Social CRM provides new ways for businesses to interact with and get closer to customers. Integrating social media activity with your CRM system can further harness the power of communication with your customers and prospects, creating a meaningful community and building strong mutually-rewarding relationships.

Seamless integration across all platforms.

Integrated with Sage Evolution application, Sage CRM for Sage Evolution provides a complete view of the business and streamlined end-to-end business management capabilities. The module also offers real-time synchronisation with Microsoft Exchange for seamless calendar management.
